The number of quality of life calls has risen this month overall, however every category barring Drugs and Public Nuisance has seen a drop.

The drugs/substance misuse calls are again made up of a mix of calls with information about drug use, and also Officers having stopped people with drugs on their person.

The public nuisance calls are in keeping with previous months and, and was mainly weekend revellers returning home at weekends, along with associated drunkenness.

Streets with more than one incident are as follows:

GENERAL INFORMATION

Once more this month we have seen a reduction in the number of thefts of and from vehicles across the area.

We generated a lot of publicity over the last few months about the need to take basic security precautions such as locking doors etc, and it is possible that this message, combined with the enforcement action taken by my Operation Drina team in October has assisted in this reduction.

It is still vitally important that members of the public continue to secure their homes, cars and garages routinely and think about basic things like light timers for their homes when they are out in the hours of darkness.

I have included some festive crime prevention advice alongside this document for circulation as you see fit.

On a personal note, as the last Performance Document for 2015 is completed, I'd just like to thank you all for your support over the last year, and look forward to continuing our strong relationship into 2016.

I'd also like to welcome the members of the recently formed Braeside and Mannofield Community Council and look forward to meeting with them in due course.

Thanks

Ian McKinnon

Our team at Whinhill are committed to keeping the community safe, preventing and detecting crime. If any suspicious activity is seen, please report this to us, either as an emergency on 999 or to the Service Centre on 101. Quick and effective reporting allows our team to react accordingly and maximise the opportunity to apprehend offenders.

Also available are the three following contact email addresses for the West End:

AiryhallBroomhillGarthdeeCPT@Scotland.pnn.police.uk
HazleheadAshleyQueensCrossCPT@Scotland.pnn.police.uk
TorryFerryhillCPT@scotland.pnn.police.uk

The primary purpose of these e-mail addresses is for residents to report non-criminal queries, such as passing attentions, information, advice and non-criminal quality of life issues, such as youth annoyance. These e-mail addresses are not for reporting crimes or offences. The process for reporting any crimes or offences is to call 101 (Aberdeen Service Centre) who will log the call on our Command and Control system and allocate the incident to our area. Using this process negates the possibility of the report being missed and also ensures that the callers detail, addresses and telephone numbers are noted for our awareness and response.

Your comments and concerns are important to the staff of the West End CPT. This allows us to allocate our resources to the areas causing you the most concern. Should you have any concerns or questions, please do not hesitate to discuss these with the Officer attending your Community Council Meeting or by emailing the above e-mail addresses or our Service Centre. It is not necessary to wait until the meeting and Inspector McKinnon welcomes your contact.
