## **GENERAL INFORMATION**

Once again this month there has been very little car crime occurring, however there have been slight increases in relation to Housebreakings and we would once again encourage members of the public to be vigilant in their areas. This rise isn't wholly unexpected given it is the run up to Christmas, but I'm sure you will agree, one is one too many.

If someone doesn't feel right in your street, trust your instinct and phone it in - who better to judge this than the people who live there and see the usual patterns of daily life.

As an update, we have had some recent changes to supervision here, so I now have Sergeants Emily Hesp, Rob McLean, Doug Norrie and Bob Shand working in my area. They are a great team, and work hard to make your area safer.

Thanks

Ian McKinnon  
Inspector

Our team at Whinhill are committed to keeping the community safe, preventing and detecting crime. If any suspicious activity is seen, please report this to us, either as an emergency on 999 or to the Service Centre on 101. Quick and effective reporting allows our team to react accordingly and maximise the opportunity to apprehend offenders.

Also available are the three following contact email addresses for the West End:

[HazleheadAshleyQueensCrossCPT@Scotland.pnn.police.uk](mailto:HazleheadAshleyQueensCrossCPT@Scotland.pnn.police.uk)  
[TorryFerryhillCPT@scotland.pnn.police.uk](mailto:TorryFerryhillCPT@scotland.pnn.police.uk)

The primary purpose of these e-mail addresses is for residents to report non-criminal queries, such as passing attentions, information, advice and non-criminal quality of life issues, such as youth annoyance. These e-mail addresses are not for reporting crimes or offences. The process for reporting any crimes or offences is to call 101 (Aberdeen Service Centre) who will log the call on our Command and Control system and allocate the incident to our area. Using this process negates the possibility of the report being missed and also ensures that the callers detail, addresses and telephone numbers are noted for our awareness and response.

Your comments and concerns are important to the staff of the West End CPT. This allows us to allocate our resources to the areas causing you the most concern. Should you have any concerns or questions, please do not hesitate to discuss these with the Officer attending your Community Council Meeting or by emailing the above e-mail addresses or our Service Centre. It is not necessary to wait until the meeting and Inspector McKinnon welcomes your contact.
